ANNUAL REPORT - 1981

ANNUAL REPORT

OF THE

OFFICERS

FOR THE

Town of Thornton, N. H.

YEAR ENDING

December 31, 1981

GLEN PRESS

Lincoln, N.H.

1982

Andy & wife Mary at 50th Wedding Anniversary

This town report is dedicated to Andrew Robertson, a man who was one of Thornton's beloved old timers.

"Andy" clearing his river bank prior to construction of the new bridge. Age 84.

State of New Hampshire

OFFICE OF SECRETARY OF STATE

I, WILLIAM M. GARDNER, Secretary of State of the State of New Hampshire, do hereby certify that the following and hereto attached is a true copy of an act entitled "naming the bridge on Route 49 at Goose Hollow in the town of Thornton after Andrew Robertson" (Approved April 3, 1981-- Effective Date April 3, 1981) as enrolled in this office and held in my custody as Secretary of State.

In Testimony Whereof, I hereto set my hand and cause to be affixed the Seal of the State, at Concord, this^{1st} day of May.... A.D. 19 81.

William M. Gardner
.....
Secretary of State

Chapter 65

HB 71

STATE OF NEW HAMPSHIRE

In the years of Our Lord one thousand
nine hundred and eighty-one

AN ACT

naming the bridge on Route 49 at Goose Hollow
in the town of Thornton after Andrew Robertson.

Be it Enacted by the Senate and House of
Representatives in General Court convened:

65:1 Andrew Robertson Bridge. Pursuant to RSA 4:43 the town of Thornton is authorized to dedicate in honor of one Andrew Robertson, a former distinguished citizen and land owner in Thornton, the state owned bridge for vehicular traffic on Route 49 at Goose Hollow in said town, and to name the bridge the "Andrew Robertson Bridge."

65:2 Effective Date. This act shall take effect upon its passage.

Approved: April 3, 1981

Effective Date: April 3, 1981

INFORMATION FOR VOTERS

Thornton was incorporated as a town in 1781.

Location: Midway of the Pemigewasset Valley between Plymouth and the Franconia Notch.

Population: 1981-1,000

Registered Voters: 1981-600

Area: 32,640 Acres—of Which 15,276 are Public Lands.

Altitude: From 555 to 2,610 Feet.

Selectmen Meet At the Discretion of the Chairman.

State Senator: Raymond K. Conley

U.S. Senator: Gordon Humphrey

Representative in the General Court: Betty Jo Taffe, Rumney and Murray Clark, Lincoln.

Representative in Congress: Judd Gregg, Office Building, Washington, D.C. 20510.

Annual Town Meeting: Second Tuesday in March. The Non-Partisan Town Ballot is used. Filing fee \$1.00. See the Town Clerk if you are a candidate for Town Office.

Polls open at 10:00 A.M. and close at 7:00 P.M. Articles in the Town Warrant are taken up at 7:00 P.M. Non-Residents are encouraged to attend, and are welcomed to be heard.

Grafton County Sheriff's Department: Watts 1-800-552-0393
Office: 1-787-6911

Town Clerk's hours: Mon. thru Fri. 7:00 A.M. to 4:00 P.M. Saturday, Sunday and evenings when I am at home.

There are Town Reports available for all Residents and Property Owners. Reports will be available at the Town Clerk's Office and by contacting a Selectman.

Anyone who wishes to contact a Selectman during the day may contact the Town Clerk's Office 726-4232 or Home Phone 726-3515.

THORNTON PUBLIC LIBRARY
ANNUAL REPORT
1981

The Thornton Public Library Board of Trustees organized after the town election in March with Mrs. McDonald, elected to the remaining one year term of Mr. Benton, as chairman; Mrs. Ethel DeGrace, secretary; and Mrs. Jean Scalese, elected for the three year term, serving as treasurer.

The summer was spent cataloging new books and getting our non-fiction shelf list up-dated in preparation for sharing materials in the local area, especially with Plymouth. Mrs. McDonald computerized the Plymouth Library's Junior & Youth non-fiction catalog, making over 1200 titles available to us for loan.

We wish to thank Mr. William Grady for the use of his Atari.

New books added this year included 29 Adult, 77 Junior and 34 Easy readers. Also, added this year were World Magazine and Ranger Rick. The total expenditure for books and magazines was \$866.64. A few books, paperbacks and magazines were donated for which we are most appreciative.

We also purchased one set of shelving for the Youth section, a table for the copy machine and a Quartz heater to offset low heat when the Library is open on Saturday morning.

Usage continued to increase through the remainder of the winter, spring and summer through September but it has dropped off in the last three months.

The summer program, introduced by Ms. Osgood, featuring each patron, for each book read, putting a leaf on a tree or planting a flower in a garden, stimulated summer reading. However, many of the most avid readers were the summer residents.

The school continues to make use of the library with the upper grades having classes scheduled in the library. Kindergarten goes to the library for a story hour once a week as do first and second graders; third and fourth go every two weeks for free reading time. Because of their full schedules, grades five through eight, except for a few individuals, have little opportunity to use the library except for a scheduled class.

The Library held Open House on the night of the Teachers' Reception at which time Ms. Osgood, the Librarian, was honored with a corsage in recognition of her dedicated service to the Thornton Central School.

Because of ride sharing, combining workshops with other meetings and the cancellation of the course in Library Techniques, "Programs for Children", which Ms. Osgood was to attend, we have saved some of our budget money. The \$144.10 remaining, we will apply to next year's budget.

With the increase in the cost of paper, and therefore of books, the loss of books becomes a problem of greater concern. As the year ends, three books from State Library are still on our "lost" list and we must reimburse their cost.

Also on that list are seven volumes of encyclopediae: 1 Americana, 3 Comptons, and 3 World Books. These cannot be replaced individually and replacement of complete sets costs \$500-\$700. The sets lose their usefulness when individual volumes are no longer available to any user. We would be very grateful if any child, parent or any adult who happened to find any of these volumes, would return it to us, no questions asked. We have a drop box just outside the Library door for patron's use when we are closed.

All Thornton residents are entitled and welcome to use our library; we offer many services for physically and visually handicapped patrons through the State Library, and free films and research sources from other libraries in New Hampshire as well.

Board of Trustees
BARBARA McDONALD
ETHEL DeGRACE
JEAN SCALESE

Librarian,
ARLENE OSGOOD

CAMPTON-THORNTON FIRE DEPARTMENT

Here it is the end of another year and time for this report as they are ready to print the Town Report.

The Financial Report will be found elsewhere as well as the Fire Chief Report.

First off, the Temporary Chief, John Duguay, resigned. The Selectmen of both towns appointed Commissioner Robert Mardin as Chief. William Cheney is the Deputy Chief. The Selectmen of Campton appointed John Thompson as a Fire commissioner.

Next, we have installed 4" hose on the fire trucks. The firemen tell us we don't have anywhere near enough but we are purchasing some each year and maybe we will get the trucks equipped with 4" hose in a few years.

In July, our new truck was delivered to the Campton-Thornton Fire Department. It was built by Middlesex Fire Equipment Co. on a GMC chassis. We have it equipped and ready for use. The total amount was less than \$70,000.00 for truck, body and equipment. Through the help of the Firemen's Association, the Firemen's Auxiliary and public donations we were able to do this job for this price.

August 15, 1981 we held an open house at the Campton Fire House. The Fire House was dedicated, the firehouse and present equipment were on display for inspection.

This past fall a new fire house has been built in the West Thornton area of the Town of Thornton near Route 3 and the Cross road from 175 to Rt. 3. A very good location. It is completed and we hope to get the finishing touches done and some equipment in this station soon. The Commissioners don't feel we should put a piece of equipment in there until we are sure of no freezeups and that someone will be responsible to check the heat and building each day. We sure hope this is done by town meeting.

As you can see by the articles in the warrant the department is asking for a ten percent increase due to the addition of a new fire truck and another station. The Commissioners and Selectmen agreed that this is a small increase and we ask the voters of both towns to support this article at the town meetings.

Again, we want to thank the Firemen for giving of their time to fight the fires in our towns as well as mutual aid calls. The Chief can still use more

Hear Ye- Hear Ye!

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Thornton in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at The Thornton Central School in said Thornton on Tuesday, the Ninth day of March, next at 10:00 in the A.M., to act upon the following subjects:

Polls will open at 10:00 A.M. and close not earlier than 7:00 P.M. Moderator will cast Absentee Ballots starting at 3:00 P.M.

1. To choose all necessary Town Officers for the year ensuing. All Articles except Articles 1, 2, 3, and 4 will be taken up at 7:00 P.M.

Zoning Article 2

1. Are you in favor of the adoption of Amendment No. 1 to add a definition of "dwelling" to mean "a building or portion of a building containing any number of rooms designed for use by one family as a single housekeeping unit," as proposed by the Planning Board?

2. Are you in favor of the adoption of Amendment No. 2 to add a definition of "family" to mean "one or more persons who live as a single housekeeping unit in a dwelling," as proposed by the Planning Board? (Article III. Definitions)

3. Are you in favor of the adoption of Amendment No. 3 to reduce the setback of new buildings to be no closer than 50 feet from the center line of any street or highway, as proposed by the Planning Board? (Article VII. Location of Structure?)

Dogs Article 3

RSA 466:30-a states the following: it shall be unlawful for any dog to run at large, except when accompanied by the owner or custodian, and when used for hunting, herding, supervised competition, and exhibition or training for such.

In this section “at large” means off the premises of the owner or keeper and not under the control of any person by means of personal presence and attention as will reasonably control the conduct of such dog, unless accompanied by the owner.

Any authorized person may seize, impound, or restrain any dog in violation of this section and deliver said dog to a person or shelter that is authorized to board dogs. Such dogs shall be handled as strays or abandoned dogs pursuant to applicable laws.

Any law enforcement officer may issue in the name of the owner or keeper of such dog a notice of violation, such forfeiture of \$10.00 which must be paid to the clerk of the town or city wherein such dog is owned or kept within 96 hours of the date and time notice is given. In the event such penalty is not paid to the town clerk within the time limitations specified, a summons shall be issued for appearance in district court, and this will be treated as a violation.

Elderly Article 4

“Shall we adopt the provisions of RSA 72:43-f for the adjusted elderly exemptions from property tax? These statutes provide for the following exemptions, based on assessed value, for qualified taxpayers: for a person 65 years of age up to 75 years, \$10,000; for a person 75 years, up to 80 years, \$15,000; for a person 80 years of age older, \$40,000. To qualify, the person must have been a N.H. resident for at least 5 years; own the real estate individually or jointly or if the real estate is owned by his spouse, they must have been married for at least 5 years. In addition, the taxpayer must have a net income of less than \$10,000 or if married a combined net income of less than \$12,000, and own net assets of \$30,000 or less, excluding the value of the person’s residence.”

5. To consider the Budget as posted and to raise and appropriate the necessary sums to satisfy it.
6. To see if the Town will vote to authorize the Selectmen to hire money in anticipation of Taxes.
7. To see if a discount will be allowed on property taxes of 1% if paid before a certain date to be later set by the Selectmen.
8. To see if the Town will vote to authorize the Selectmen to transfer Tax liens and convey property acquired by the town by Tax Collector’s Deed by Public Auction (or advertised bid) or in such other manner as determined by the Selectmen as justice may require.
9. To see if the Town will vote to authorize the board of Selectmen to apply

for, accept and expend money from State, Federal or another Governmental unit or a private source which becomes available during the year in accordance with the procedures set forth in RSA 31:95-b.

10. To set a Contingency Fund of \$1,000.00 to meet unanticipated expenses RSA 31:4.
11. To see if the Town will vote to appropriate six thousand dollars (\$6,000.00) for a new Salt & Sand Spreader, and authorize the withdrawal of five thousand dollars (\$5,000.00) for this purpose from Federal Revenue Sharing Fund with the balance to be raised by taxation.
12. To see if the Town will vote to appropriate the sum of \$1,006.00 as the Town's share for operation of the North Country Council for one year, beginning July 1, 1982.
13. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to help support promotion and publicity for the Campton, Thornton, Waterville Valley Chamber of Commerce.
14. To see if the Town will vote to allow the Tax Collector to accept advance payment on Resident, Property, and all other taxes.
15. Shall the citizens of Thornton, N.H. ask members of the New Hampshire Congressional delegation to support or co-sponsor a resolution in the U.S. Congress to: Request the President of the United States to propose to the Soviet Union that the United States and the Soviet Union adopt a mutual freeze on the testing, production, and deployment of nuclear weapons and of missiles and new aircraft designed primarily to deliver nuclear weapons, with verification safeguards satisfactory to both countries. (By Petition)
16. To see if the Town will raise the sum of \$2,760.80 for the Pemi Baker Home Health Agency, Inc.
17. To see if the Town will vote to appropriate the sum of \$250.00 to help support the White Mountain Region Association of N.H.
18. To see if the Town will vote to allow the formation and incorporation of a Town Fire Service, to be known as the Town of Thornton Fire Department. The Department to consist of a Chief, appointed by the Board of Selectmen of the Town of Thornton and a Deputy Chief recommended by the appointed Chief for approval of the Board of Selectmen. This Department with its Chief, Deputy Chief, and members will be directly responsible to the Town of Thornton Board of Selectmen. (By Request)
19. To see if the residents of the Town of Thornton would be in favor of sup-

porting Waterville Estates in their effort to secede only after the Waterville Estates Association, the Waterville Estates Property Owners and the Village District Commissioners have had ample opportunity to investigate the consequences of becoming their own Town and an affirmative vote by the majority of the property owners in Waterville Estates expressing their individual feelings and not by proxy.

20. To see if the Town will vote to raise and appropriate the sum of \$272.50 to reimburse the Campton Village Precinct for hydrant rental.
21. To see if the Town will vote to raise and appropriate the sum of \$11,000.00 for support and maintenance of its Campton-Thornton Fire Department.
22. To see if the Town will vote to raise and appropriate the sum of \$1,000.00 for Forest Fires.
23. To see if the Town will vote to raise and appropriate the sum of \$200.00 to support stray animals from the Town of Thornton placed with the N.H. Humane Society.
24. To see if the Town will vote to raise and appropriate the sum of \$100.00 to support the Upper Valley Senior Citizens Council, Inc. which handles the meals on wheels at the center for the older citizens of the area.
25. To see if the Town will vote to ratify the agreement between the Town of Campton and the Town of Thornton for the Campton-Thornton Fire Department as required by RSA 53A.
26. To see if the Town will vote to raise and appropriate the sum of \$600.00 for purchase of a metal sign to be placed at the Thornton Memorial Bridge.
27. To see if the Town wishes to purchase the West Thornton Methodist Church and Vestry. No figure as to purchase price available from Church sources at this time.
28. To see if the Town will vote to accept in accordance with RSA 230:1 the following roads.

Sugar Run-Tamarack Rd. Extension of these roads a total of 2,100 feet. This is a loop connecting present Town Roads. Thirteen lots have been sold on the road. Road was constructed to Town specifications about 1971-1973.

High Brook Rd. Extension of Town road 3,475 feet to a circle. Three lots are sold. Road constructed in 1980-1981 to Town specifications. Including small (un-named) spur road with circle.

As in the past, we will guarantee these roads for a period of two years.

In addition there will be no snow plowing until such time as houses are constructed.

29. To see if the Town will vote to accept in accordance with RSA 230:1 a road in the Thornton Terrace section of Town know as Phase III. The length of this road is 2,564.1 feet, more or less and to be built to Town specifications.
30. To see if the Town will vote to authorize the acceptance in accordance with RSA 230:1 a road, known as Hazelton Road, being 4,367 feet in length in the Mill Brook Valley section of Town. This road to be built to Town's specifications
31. To see if the Town will vote to lay out the Knockers Hole Road in a joint effort with U.S. Forest Service a two (2) Rod wide road, for future use in case of fires or other unforeseen purposes. This road currently has been thrown up subject to gates and bars.
32. To see if the Town will vote to accept in accordance with RSA 230:1 a dedication by Waterville Estates Village District of certain roads situated in the Waterville Estates area of the town, said roads all being constructed to the same specifications and being of the same general grade as other roads in Waterville Estates heretofore accepted by the Town, being more particularly described as follows:
 1. The entire length of Doe Run starting from its point of origin from Snowood Drive from where it intersects with Liberty Lane - a distance of approximately .1 mile
 2. The entire length of Liberty Lane starting from its point of origin where it intersects with Snowood Drive - a distance of apporximately .7 miles.
 3. The entire length of Checkerberry Ridge Road starting from its point of origin from where it intersects with Snowood Drive - a distance of approximately .3 miles.
 4. The entire length of Holland Trail starting from its point of origin where it intersects with Snowood Drive to that point where it intersects with Checkerberry Ridge Road - a distance of approximately .6 miles.

and further, to authorize the Selectmen to accept and record a deed of said roads in the Grafton County Registry of Deeds together with any plan or plans which may be necessary or useful and to take any and all other necessary actions to consummate said acceptance so as to make said roads

Town Roads in accordance with RSA 230:1.

The roads referred to in the above article are as depicted on plans approved by the Town of Thornton and recorded in the Grafton County Registry.

32. To transact any other business which may legally come before said meeting.

Given under our hands and seal, this 21st day of February in the year of our Lord nineteen hundred and eighty two.

Respectfully submitted,
WALTER G. JOYCE
Chief of Police

TOWN OF THORNTON PLANNING BOARD REPORT

The planning board, after two years of work, four revisions, substantial help from the North Country Council, and a public hearing, which was duly posted, presents the subdivision regulations which became effective January 1, 1982 following this report.

The board, after two public hearings, duly posted, presents two proposals regarding zoning on the ballot this year. One, at the suggestion of the Board of Adjustment, pertains to "Location of Structures on Lots" (Article VII Zoning Ordinance) and would change the reading "75 feet" from the center of the road to "50 feet". The other proposal is a definition for the word "dwelling" that is needed for the purpose of clarification.

Present board members are: Co-chairmen John March and Roy Sabourn, Selectman Thomas Anderson, Barbara Brown, William Corkum, Joan Marshall, and Alan Uhlman. Resignations from Susan Green and Susan Rawson were regretfully received during the past year.

SUBDIVISION REGULATIONS of the

TOWN OF THORNTON

Effective Date Jan. 1, 1982

SECTION I. AUTHORITY AND PURPOSE

Pursant to the authority vested in the Thornton Planning Board by the voters of the Town of Thornton at the annual Town Meeting held on March 13, 1979, and in accordance with the provisions of Sections 19 through 29 of Chapter 36 of the Revised Statutes Annotated of New Hampshire, 1955, as amended, the Thornton Planning Board adopts the following regulations governing the subdivision of land in the Town of Thornton, New Hampshire.

The purpose of these regulations is to promote the general health and welfare of the Town of Thornton.

SECTION II. DEFINITIONS

2.1 Abutter: Any person whose property is located in New Hampshire and adjoins or is directly across the street or stream from the land under consideration by the Planning Board. For purposes of receiving testimony only, and not for purposes of notification, the term "abutter" shall include any person who is able to demonstrate that his land will be directly affected by the proposal under consideration.

2.2 Board: The Planning Board of the Town of Thornton, New Hampshire.

2.3 Engineer: The duly designated engineer of the Town of Thornton or if there is no such official, the planning consultant or official assigned by the Thornton Planning Board.

2.4 Final Plat: The final map, drawing or chart on which the subdivider's plan of subdivision is presented to the Planning Board of Thornton prepared as required in Section VI, and which if approved, will be submitted to the Grafton County Registry of Deeds for recording.

2.5 Lot: A parcel of land or part thereof designated on a plat filed with the Register of Deeds by its owner(s) as a separate lot. For purposes of these regulations, a lot shall have boundaries identical with those recorded with the Register of Deeds.

2.6 Preliminary Plan: A plan prepared as required in Section V and submitted to the Board prior to preparing the Final Plat.

2.7 Resubdivision: A change in a map of an approved or recorded subdivi-

sion if such a change a) is a further subdivision of the land; b) affects any street layout shown on such map; c) affects any area reserved for public use; or d) diminishes the size or reduces the road frontage of any lot shown.

2.8 Street: Street means and includes street, road, state or town highway, avenue, or any other way which exists for vehicular travel, exclusive of drive-ways serving not more than two adjacent lots, and shall include the entire right-of-way.

2.9 Subdivider: The registered owner or the authorized agent of the registered owner of a subdivision.

2.10 Subdivision: The division of a lot, tract or parcel of land into two or more lots, plats, sites, or other division of land for the purpose, whether immediate or future, of sale, rent, lease, condominium conveyance or building development. It includes resubdivision and, when appropriate to the context, relates to the process of subdividing or to the land held in common and subsequently divided into parts among the several owners shall be deemed a subdivision.

Subdivision further includes a tract of land which has single-family and/or multi-family building sites and common property and facilities, and land subject to the New Hampshire Unit Ownership of Real Property Law (RSA Chaper 479:A), the so-called Condominium Law, whether such units are for sale or lease.

2.11 Surveyor: Surveyor shall mean the licensed New Hampshire surveyor of the subdivision.

SECTION III. PROCEDURES

3.1 General Requirement of Approval: Whenever any subdivision of land is proposed, before any construction, land clearing or building development is begun, before any permit for the erection of any building in such proposed subdivision shall be granted, and before any subdivision plat may be filed in the Office of the Register of Deeds of Grafton County, the subdivider or his authorized agent shall apply for and secure approval of such proposed subdivision in accordance with the following procedure.

3.2 Preliminary Consultation and Review:

a. Before the formal submission of any Completed Application or any plan, any person contemplating the subdivision of land in Thornton, in order to save time, effort and expense, may appear at a regular meeting of the Planning Board to discuss a subdivision proposal in general and conceptual terms.

b. The preliminary consultation shall be directed toward:

- i. reviewing the town's subdivision regulations as they may apply to this proposal and determination of the proposal as a major or minor subdivision,
- ii. reviewing the basic concepts of the proposal,
- iii. reviewing the proposal with regard to the town master plan and zoning ordinance, and
- iv. guiding the Applicant relative to necessary state and local requirements.

c. Preliminary consultation and review shall not bind the Applicant or the Board. Such discussion may occur without formal public notice. However, no discussions beyond the conceptual and general review shall take place without identification of and notice to abutters and the general public as described in Section 3.8.

d. Preliminary consultation and review shall be separate and apart from formal consideration under Sections 3.3 and 3.4 and the time limits for acting under Section 3.5 shall apply until a formal Completed Application is submitted.

3.3 Completed Application: A Completed Application sufficient to invoke jurisdiction of the Board must include sufficient information to allow the Board to proceed with consideration and to make an informed decision. The following shall be required for and constitute a Completed Application:

- a. An Application for Subdivision Approval properly filled out and executed by the Applicant and filed with the Board in accordance with Section 3.4.
- b. The names and addresses of the Applicant and all abutters as indicated in town records not more than five (5) days before the day of filing.
- c. A check payable to the Board to cover filing fees, mailing, advertising, recording, and other costs as provided in Section 3.9.
- d. Two paper print copies of the Preliminary Plan in accordance with and accompanied by the information required in Section V.

3.4 Filing and Submission of Completed Application:

- a. The Completed Application shall be filed with the Secretary or the Chairman of the Board at least fifteen (15) days prior to a scheduled public meeting of the Board.
- b. The Completed Application shall be formally submitted to and accepted by the Board only at a regularly scheduled public meeting after due notification to Applicant, abutters, and the general public of the date the Completed Application will be submitted and received by the Board.

c. An incomplete Application filed by the Applicant will not be formally accepted by the board nor will notices of a public hearing be mailed, posted, or published.

d. Applications may be disapproved by the Board without public hearing on grounds of:

i. failure of the Applicant to supply information required by these regulations, including abutters' identification and information required for Preliminary Layout,

ii. failure to pay costs of notices or other costs and fees required by these regulations, or

iii. failure to meet any reasonable deadline established by these regulations.

e. When a Completed Application is accepted by the Board, the Board shall provide a receipt to the Applicant indicating the date of formal acceptance.

3.5 Board Action on Completed Application:

a. The Board shall consider the Completed Application within thirty (30) days of its submission. After review of the Completed Application, and after a duly-noticed public hearing as provided in Section 3.7, the Board may grant a conditional approval of the Completed Application and request the Applicant prepare a Final Plat as described in Section VI. The Board shall act to approve or disapprove the Completed Application and Final Plat within ninety (90) days after submission of the Completed Application, subject to extension or waiver as provided in accordance with RSA 36:23 (I) c, as amended.

b. Approval of the Final Plat shall be certified by written endorsement on the Final Plat and signed by the Chairman or Secretary of the Board. The subdivider shall be responsible for filing the mylar copy of the Final Plat with such approval endorsed in writing therein with the Register of Deeds of Grafton County. The subdivider shall pay all recording fees. In case of disapproval of any plat submitted, the grounds for such disapproval shall be adequately stated in the records of the Planning Board and written notice given to the Applicant.

c. If the Planning Board has not obtained an extension and has not taken action to approve or disapprove the Completed Application within ninety (90) days of its acceptance, the Applicant may obtain from the Selectmen an order directing the Board to act within fifteen (15) days. Failure of the Board to act upon such order of the Selectmen shall constitute grounds for the Applicant to petition the Superior Court as provided in RSA 36:23 (I) c, as amended.

3.6 Minor Subdivisions:

- a. Minor subdivisions are defined as those proposals involving:
 - i. three lots or less with no potential for resubdivision and fronting on an existing street, or
 - ii. minor lot line adjustments or boundary agreements which do not create buildable lots.
- b. The Applicant may first meet with the Board for preliminary consultation and review of his proposal as described in Section 3.2 to determine if it is a minor subdivision. If it is determined by the Board to be a minor subdivision, the Applicant shall submit:
 - i. a Completed Application, excluding the Preliminary Plan as required in Section 3.3 and,
 - ii. a Final Plat as provided in Section VI. Notice of submission shall be given as provided in Section 3.4 and may be combined with the notice of public hearing.
- c. The Completed Application under this Section may be submitted and approved at one or more Board meetings but no Application shall be approved without the full notice of abutters and public required under Section 3.8. A duly-noticed public hearing shall be held only if requested by the Applicant or abutters or if the Board determines to hold a hearing.

3.7 Public Hearing: Prior to approval or disapproval of a subdivision, a public hearing shall be held as required by RSA 36:23-1 and notice to Applicant and abutters and the public shall be given in accordance with Section 3.8. The public hearing shall be held within thirty (30) days after submission of the Completed Application. A public hearing may not be required for minor subdivisions as provided in Section 3.6.

3.8 Notices: Notice of the submission of a Preliminary Plan or a Completed Application shall be given by the Board to the abutters and the Applicant by certified mail, return receipt requested, mailed at least ten (10) days prior to the submission, and to the public at the same time by posting in at least two public places in the town or publication in a newspaper of general circulation. The notice shall give the date, time and place of the Board meeting at which the Application or other item(s) will be formally submitted to the Board and shall include a general description of the proposal which is the subject of the Application or of the item to be considered and shall identify the Applicant and location of the proposed subdivision.

For any public hearing on the Completed Application, the same notices as required for notice of submission of the Completed Application shall be given.

If the notice of public hearing has been included in the notice of submission or any prior notice, additional notice of the public hearing is not required, nor shall additional notice be required of an adjourned session of a hearing with proper notice if the date, time and place of the adjourned session was made known at the prior hearing.

3.9 Fees:

- a. A Completed Application shall be accompanied by a filing fee of \$15 plus \$5 per lot to cover administrative expenses.
- b. All costs of notices, whether mailed, posted or published shall be paid in advance by the subdivider. Failure to pay costs shall constitute valid grounds for the Board to terminate formal consideration and to disapprove the plat without a public hearing.
- c. The Board may require special investigative studies, environmental assessments, a legal review of documents, and other items necessary to make an informed decision. The cost of such studies shall be paid by the subdivider prior to the approval or disapproval of the Final Plat.

SECTION IV. GENERAL REQUIREMENTS FOR THE SUBDIVISION OF LAND

The subdivider shall observe the following general requirements and principles of land subdivision:

4.1 A proposed subdivision shall conform with the Comprehensive Plan and the Official Map when adopted, the **Thornton Zoning Ordinance**, and any other pertinent state or local laws or regulations. Street right-of-way areas shall not be included in the one-acre minimum lot size stipulated in Article VI of the **Zoning Ordinance**. Also, the 100-foot highway frontage requirement stated in the said Article VI shall not be satisfied by frontage on a limited access highway where no entrance right exists.

4.2 No owner of land within a proposed subdivision shall construct any roads, grade any land, install any utilities, construct any buildings nor do any act or acts which will alter the natural state of the land or environment in the proposed subdivision until the Planning Board has granted a written approval of the Completed Application. Test borings, test pits and other preliminary testing to comply with the requirements of the State Water Supply and Pollution Control Commission necessary for their review and approval of the subdivision plans are permitted.

4.3 Land of such character that it cannot be safely used for building development purposes because of danger to health or peril from fire, flood hazard,

poor drainage, poor soil conditions, excessive slopes or other hazardous conditions shall not be platted. Steep land, areas with high water table (within 2 feet of the surface), flood plains, areas with less than 3 feet of natural soil over impermeable material (percolation rate slower than 60 minutes per inch) may create problems of such nature as to endanger health, life or property. Such areas shall not be platted unless a design solution acceptable to the Board can be presented.

4.4 Scattered or premature subdivision of land as would involve danger or injury to health, safety, or prosperity by reason of lack of water supply, drainage, transportation, school, fire department, or other public services, or that a lack of these facilities would be a hazard, or necessitate an excessive expenditure of public funds for the supply of such services shall not be approved by the Board.

4.5 Permanent monuments marking the bounds of streets, rights-of-way and the location of lot corners shall be installed at all points where, in the opinion of the Board, such monuments are desirable.

4.6 Copies of approvals by the State of New Hampshire Water Supply and Pollution Control Commission, access approvals from the State Highway Department or Thornton Planning Board, and any other required state permits or approvals shall be submitted to the Planning Board as part of the Final Plat prior to final approval by the Board of any subdivision.

4.7 The Board may, in appropriate cases, require reasonably-sized areas of the plat to be set aside for parks and playgrounds to be dedicated or to be reserved for the common use of all property owners or the public by a covenant in the deed.

4.8 Long, narrow lots or lots with very irregular shapes shall not generally be accepted by the Board, especially if, in the opinion of the Board, these lots will create unusable or inaccessible areas of land.

4.9 Table of Road Construction Standards:

- a. Minimum width of right-of-way: 50 ft.
- b. Minimum width of roadway (generally centered in right-of-way): 22 ft.
- c. Minimum grade: 0.5%
- d. Generally grades shall not exceed 10%, however, a short pitch not to exceed 12% may be accepted on occasion.
- e. Maximum grade at intersections within 100 ft. of intersection: 5%

- f. Minimum angle of intersection: 60°
- g. Minimum center-line radii on curves: 100 ft.
- h. All dead end streets shall have a circular turnaround at the closed end with a minimum radius of 60 ft. from the center to the outside edge of the right-of-way.
- i. Profiles and cross-sections may be required by the Board.
- j. Sloping, seeding and ditching will be done as necessary to prevent erosion and runoff problems.
- k. The Board may reject the location of a proposed street intersection if, in the opinion of the Board, the location creates a safety hazard due to poor line of sight or excessive grades of the street or road being entered.
- l. Trees and stumps should be removed from the roadway area and all material leveled to grade by excavation and the use of good fill material.
- m. Good quality gravel shall be placed and compacted to a minimum depth of 12 inches but effort should be made to obtain greater depths to 18 inches.
- n. Asphalt surfaces shall be approved by the Town Road Agent prior to actual consideration.
- o. Names of new streets shall not duplicate nor bear phonetic resemblance to the names of existing streets within the town.

4.10 Street Continuation: Whenever possible, the arrangement of new streets in a subdivision shall provide for the continuation of streets in adjoining subdivision. The designation of right-of-way strips to the subdivision boundary for this purpose may be requested by the Board.

4.11 Improvements to Existing Streets: Existing streets outside the subdivision, shall, if practical and to the extent necessitated by the subdivision, be widened, extended, or improved, at the expense of the subdivider. These improvements shall be subject to approval by the Selectmen and/or Town Road Agent.

4.12 Parking: All subdivisions shall provide adequate off-street parking dependent on the proposed use needs.

4.13 Driveways and Permits:

- a. A driveway, which shall not serve more than two adjacent lots, may be constructed to lesser standards than those stipulated in Section 4.9.

b. No driveway, entrance, exit or approach within the limits of the right-of-way of any highway maintained by the Town of Thornton may be constructed or altered in any way that substantially affects the size or grade until an application permit is obtained from the Planning Board or the Town Clerk and on-site inspection is made and said permit is signed by the Town Road Agent. All driveways or points of access for which a permit is required shall thereafter be constructed pursuant to the terms and conditions of said permit. Driveways in new subdivisions shall also comply with this section.

4.14 Bond: The Planning Board, as a condition of final approval, may require that the subdivider provide a bond sufficient to guarantee the costs of any planned improvements, including but not limited to roads, culverts, drainage ditches, utilities, and seeding or surfacing to prevent erosion. Such bond shall be in such form and for such period of time as shall reasonably secure to the town the construction of such improvements or, alternatively, the restoration of the site to a condition not damaging to the environment should construction and/or subdivision cease.

SECTION V. PRELIMINARY PLAN

5.1 Every applicant for subdivision approval shall file with the Board two paper copies of a Preliminary Plan of the proposed subdivision. The drawing shall normally be at a scale of not more than one hundred feet to the inch and be submitted in one of the following sheet sizes: 17" x 22" or 22" x 34".

5.2 The Preliminary Plan shall contain the following information:

- a. The name of the subdivision; name and address of the subdivider; the seal of a licensed New Hampshire land surveyor; date; scale; North arrow; location map; and abutters' names.
- b. Sufficient data acceptable to the Board to determine approximately the location, bearing, and length of every street line, lot line and boundary line.
- c. Area and frontage of each lot.
- d. Location, name and width of all existing streets, buildings, wells, water courses, standing water, rock ledge, and other essential features on the property being subdivided and on abutting property within 30' of the boundary line.
- e. For major subdivisions, contours of existing topography at not more than ten (10) feet intervals. The Board may modify this requirement depending upon the character of the land and the proposed use. The Board also reserves the option of requiring contour data for minor subdivisions if there are con-

cerns with drainage, road layout, soil capability, etc.

f. Flood Hazard Areas.

g. Location, name and width of all proposed streets and easements (including utility rights-of-way) and location and size of any bridges or culverts.

h. Preliminary description of all proposed streets and easements including a description of grades, profiles, and drainage.

i. Proposed system and location of water supply and sewage disposal, if required.

j. A sketch map showing any future plans for additional subdivision on the property.

5.3 The Board may conduct a site inspection of the proposed subdivision prior to conditional approval to ascertain the natural conditions of the site and to inspect the layout of proposed lots and streets. Temporary stakes shall be driven in the ground along the center lines of proposed streets and roads to facilitate the site inspection if requested by the Board.

SECTION VI. FINAL PLAT

6.1 The Final Plat submitted for approval consists of one mylar copy (to be signed and recorded) and two blue or black line paper copies which the Planning Board will sign and keep for its records. The drawing shall normally be at a scale of not more than one hundred feet to the inch and submitted in one of the following sheet sizes: 17" x 22" or 22" x 34". Adequate space shall be available on the plat for the necessary endorsement of the Board. Once endorsed, the subdivider will be responsible for recording the plat at his cost.

6.2 The Final Plat shall include or be accompanied by the information required for the Preliminary Plan and the following additional items:

a. The final lot lines, dimensions, frontage, and area of each lot.

b. For all existing and proposed streets, the final right-of-way lines with dimensions of tangents, chords, and radii.

c. Final road profiles and final designs and location of any bridges, culverts or drainage system alterations.

d. Location of all parcels of land proposed to be dedicated to public or common use and the conditions of such dedication, and a copy of such private deed restrictions as are intended to cover part or all of the tract. In the event that the subdivider proposes to give land to the town, he shall offer cession, in

a form certified as satisfactory to the Board of Selectmen, of all land included in streets, rights-of-way, parks or playgrounds not specifically reserved by him. The approval of the Final Plat shall not constitute official acceptance by the Town of Thornton of any such property.

e. A copy of any restrictive covenants to be attached to the deed including, if required, restrictions on resubdivision of the land and of any easements acquired across other property.

f. The location and description of permanent monuments shall be shown. All such monuments shall be installed before approval of the final plat.

g. Driveway access approval, from the State if a Class I or II highway is involved, and from the Planning Board for roads under town jurisdiction.

h. State WSPCC subdivision approval.

i. such other information as the Board may have requested either at the Preliminary Plan viewing or as a result of an on-site inspection after the submission of a Preliminary Plan.

6.3 If required, the subdivider shall submit a bond, as described in Section 4.14, the form and content of which shall be satisfactory to the Town Attorney and Board of Selectmen.

SECTION VII. ADMINISTRATION AND ENFORCEMENT

7.1 Administration: The Planning Board of the Town of Thornton shall administer these regulations. Where the endorsement of the Planning Board is a pre-requisite for the recordation of any plat, not covered by these regulations, the Chairman or Secretary are hereby empowered to certify on such plat to the statement, "This plat is not subject to the Subdivision Regulations of Thornton."

7.2 Inspection: The Planning Board or its agent shall have the right to visit approved subdivision sites to inspect the construction of required improvements and the actual layout of lots to insure compliance with the subdivision plans as approved by the Board.

7.3 Penalty for Non-Compliance with Regulations: No subdivision of land shall be made, and no land in any subdivision shall be transferred, sold or offered for sale until a Final Plat, prepared in accordance with these regulations, has been approved by the Thornton Planning Board. As provided in RSA 36:37, any owner, or agent of the owner, of any land located within a subdivision, who transfers or sells any land, before a plat of the said subdivision has been approved by the Planning Board and recorded on files in the Office of the

Register of Deeds shall forfeit and pay a penalty of five hundred dollars for each lot or parcel so transferred or sold. The town may enjoin such transfer or sale and may recover the said penalty by civil action. In any such action the prevailing party may recover reasonable court costs and attorney's fees as same may be ordered by the court.

7.4 Waiver: Strict compliance with the requirements of these regulations may be waived or modified when, in the judgment of the Board, such action is consistent with the spirit and intent of these regulations and the public convenience, health, safety or welfare are not adversely affected.

7.5 Other Regulations: In any case where a provision of this ordinance is found to be in conflict with a provision of any other ordinance or regulation in effect in the Town of Thornton, the provision which is the more restrictive shall prevail.

7.6 Validity: If any section, provision, portion, clause or phrase of these regulations shall be held to be invalid or unconstitutional by any court or competent authority, such holding shall not affect, impair or invalidate any other section, clause, provision, portion or phrase of this ordinance.

7.7 Amendments: These regulations may be amended or rescinded by the Board in accordance with RSA 36:21-a and 22, but only following public hearings on the proposed change. The Chairman or Secretary of the Board shall transmit a record of any changes so authorized to the Register of Deeds of Grafton County.

TOWN REPORT FOR 1981 FROM NORTH COUNTRY COUNCIL, INC.

Board of Selectmen
Town of Thornton
Town Hall
Thornton, N.H. 03223

Dear Selectmen:

North Country Council assisted the Town in reviewing and amending the Town's subdivision regulations in order to conform with the new state law.

The past year was a busy one for the Council in terms of providing a variety of information and technical assistance to the towns in our region. For nine months, the Council had an active Business Development Program with a staff member contacting industries in southern New Hampshire and northeastern Massachusetts to discuss the characteristics and advantages of the region's growth centers and labor force. As a result, several companies expressed serious interest in locating their industries in the North Country. The Council was also very active in other aspects of economic development including initiation of an industrial park study in Lancaster and providing assistance to the Littleton Development Corporation in expanding their Park. An application was prepared and submitted to the Economic Development Administration for a \$600,000 Revolving Loan Fund to help finance the location of industries in growth center communities.

The mainstay of our assistance to towns has been community planning. The Council staff met throughout the year with planning boards, boards of adjustment, and master plan committees to discuss solutions to local community issues - such as zoning, subdivision review, sign, parking and mobile home regulations, recreation and more. The Council organized a seminar for Coos County towns on the subdivision review process in April. After the amendment of the subdivision law during the recent legislative session, we sponsored three subregional seminars on the new procedure for subdivision review. Fact sheets on both the new mobile home law and the new subdivision law were prepared and sent to the planning boards and selectmen.

In the area of solid waste, the Council continues to provide assistance to numerous communities by helping them find cost-effective solutions to the solid waste problem, such as sanitary landfill, incineration, and resource recovery. The Council has also worked with legislators to draft appropriate

amendments to the recently-passed solid waste law. In the area of transportation, the Council has continued to encourage the state to improve regional highways. The Council has worked in support of commuter air service to both the Berlin Airport and the Whitefield Regional Airport. The Council worked with the Railroad Division of the DPW&H to encourage the retention and improvement of rail service on the state-owned lines in our region and also to improve other important lines such as the Conway Branch line.

In the area of community development, the Council prepared four applications for community development assistance in 1981 with one, the development of a water supply for Whitefield, receiving full funding from HUD. The Council has been keeping up on the proposed regulations to the Small Cities Community Development Program so that communities in the North Country may benefit from the grant monies as they become available through this program.

In the area of housing the Council has initiated a survey to determine the potential for rehabilitation of existing units in towns as an alternative to the traditional approach of building new housing units. There appears to be general support from the area selectmen for this type of moderately-priced housing project. Energy continues to be a very important project of the Council with NCC acting as a coordinator and clearinghouse for energy conservation and planning information.

During this past session, State Legislators requested our comments on certain bills such as the proposed enterprise zone and the amendments to the Industrial Development Authority legislation. NCC continues to be active in such groups as the National Association of Regional Councils, the NH Environmental Law Clinic, and New Hampshire Regional Planning Commissions, in order to bring valuable information and services to our communities.

The Council is a very cost-effective local organization, as was shown by a recent survey which showed that for every dollar that was appropriated by towns in 1980, almost six dollars in services were provided by the Council. As in the past, the Council's major emphasis will continue to be technical assistance and information on municipal planning and development for local governments, especially selectmen, planning boards, and other related groups. The Council staff is always available to meet with local officials to discuss projects and needs of the towns and ways in which NCC can provide assistance.

On behalf of the Council and its Board of Directors, we want to thank you for your support during the past year and hope that the Town will continue to

use the services of NCC during 1982. Please feel free to contact either one of us or the Council staff in Franconia at 823-8108 or 823-5566.

Respectfully submitted,
JACK BRADLEY
THOMAS ANDERSON
NCC Representatives

WHITE MOUNTAINS REGION ASSOCIATION

Dear Chairman:

A community which supports its Region Association is a community which supports itself. Therefore, it is in your interest to respond positively to this urgent appeal.

The White Mountains Region Association (WMRA) is requesting support from Thornton in 1982 to support its important promotional programs and activities which improve the revenues of Thornton, its businesses, and its residents.

The amount requested is \$1,675.04 and is based on the formula of five (5) cents per thousand dollars of assessed valuation, based on the N.H. Dept. of Revenue Administration's 1980 Equalization Survey.

The WMRA is committed to a rejuvenated program of work which supports a restated mission, "to maintain an overview position in representing the White Mountains Region without and within the region, to advertise, to promote, and to present the image of the region on a broad, out-of-the region basis." Thus, the Association's primary function will be to promote travel and tourism to the White Mountains, and to the extent agriculture and other industry help promote the image of the region on a broad, out-of-the region basis, and vice versa, will the WMRA address those other economic sectors.

In fiscal 1981-82 the Region Association wants to become more involved in state legislative matters, more particularly in those revenue issues which affect the 46 communities of the White Mountains Region. Such issues as room and meals, business profits, interest and dividends, and any proposed legislation which would raise revenue via other means. To perform this activity effectively, the Region Association will need your community's support. The more community and business support for the Region Association, the more clout the Region Association will bring to these very important revenue issues.

Undertaking this broader and deeper commitment will require a budget of \$64,600 in fiscal 1981-82. Support for this through business/individual memberships will amount to \$30,000. Community support is being sought at a level of \$17,690.

The Region Association, operating under the economic tenets of Reaganomics and self-reliance, must look to its communities and to business-

ses for most of that support. Current economic circumstances strongly suggest towns, businesses, and residents should unite behind its Region Association and continue the very important task of attracting needed revenues to the region.

A Region Association representative would like to meet with the budget committee or selectmen to more fully explain both the Region Association's programs and its budget for fiscal 1981-82. It would be appreciated if you would let the Region Association office know the date and time when such a meeting could be held.

The WMRA looks forward to your early response, and appreciates your attention to this matter.

Sincerely,
FRED RUST, *Director*
White Mountains Region Association.

NEW HAMPSHIRE HUMANE SOCIETY

Office of Selectmen
 Town of Thornton
 Thornton, N.H. 03223

Gentlemen:

The 1981 totals of the number of animals from the Town of Thornton brought to the N.H. Humane Society shelter are as follows:

By your Animal Control Officer:

Dogs and Puppies	3
Cats and Kittens	1
	4
Total	4

By Thornton Residents:

Dogs and Puppies	11
Cats and Kittens	10
	21
Total	21

Total Number of Dogs, Pups, Cats, Kittens from the Town of Thornton	25
--	----

We are enclosing a copy of the report on all towns that used the shelter facilities and services in 1981. Your Society's shelter has been inspected and licensed by the State and fulfills your licensed dog pound requirements. It also complies with RSA 442:A, the Rabies Control Act for holding stray dogs.

Every town has stray and animal problems. We encourage the Town of Thornton, and especially the animal control officer, to use our services more in 1982.

Sincerely,

FRITZ T. SABBOW
Executive Director

1981 REPORT FROM THE
PEMI-BAKER HOME HEALTH AGENCY

Town of Thornton
Board of Selectmen

Re: 1982 Appropriation Request

Gentlemen:

The Pemi-Baker Home Health Agency request that the sum of \$2,760.80 be included in your 1982 fiscal budget for home health care service to your town.

The figures are developed on the last recorded census 952 from the State Office of Comprehensive Planning in Concord at a computed rate of \$2.90 per capita.

The Agency realizes its revenue through the following participation:

Donations	1%
Town Approp.	18%
Contract Fees	62%
Private Fees	4%
SCOA	8%
Sale, M/S	1%
Grant	5%
Other Misc.	1%

The Agency delivers the following services to its member towns:

Skilled Nursing by registered nurses

Personal Care by trained home health aides, under supervision of R.N.'s

Light Housekeeping, errands, shopping and emotional support by qualified homemakers

Physical Therapy by a registered therapist

Speech Therapy by a certified speech pathologist

Free Immunization Clinics for all children three months through age eighteen

Free Blood Pressure Clinics scheduled in locations available to the membership

Diabetic Screenings, twice yearly at each location scheduled for B/P clinics
Office Visits, for clients not home-bound, who wish blood pressure checks, and/or shots, and other related care.

Your representative on the Board of Directors has received a statistical report on all services rendered to your town. If you have any questions, please contact your representative who is: Barbara Brown.

REPORT OF GRAFTON COUNTY COMMISSIONERS

In our continued effort to communicate more directly with the taxpaying citizens of Grafton County, we are taking this opportunity to reach you through your annual town/city report

We are pleased to report that, due to the unusually high interest rates during our 1981 fiscal year, Grafton County had a very good investment year, realizing \$71,375 in interest earned, which contributed to the \$257,458 surplus most of which was applied to the fiscal year 1982 budget to reduce tax requirements. Budget appropriations for the current fiscal year beginning July 1, 1981 are about on target. However, we may be looking to a deficit at fiscal year end and we definitely anticipate a sizeable budget increase next fiscal year due to shifts in programs and financial responsibilities without accompanying federal/state funding to administer these programs, many of which are mandatory, not optional. Impact is already being felt by towns as well as counties in the educational, child protection/placement, and medicaid programs. In line with state and local "belt tightening", the County Commissioners will be taking a hard look at budget requests this next fiscal year. Priorities must be established to "hold the line" in future budget appropriations.

The computerized bookkeeping system is working out well, proving to be an asset in controlling appropriations and allowing on-demand reports showing the County's financial position at any given time.

Grafton County Commissioners, along with the maintenance supervisors and Nursing Home administration, continue to work closely with Dynamic Integrations in effecting energy conservation measures, both for the Courthouse and Nursing Home Complex. Many dollars have been and will continue to be saved through these efforts.

Superior Court has requested finishing the second courtroom in the very near future as there is a greater demand for jury hearings and use of two courtrooms at the same time. The Commissioners have engaged Wright-Pierce architectural firm to submit proposals for finishing the second courtroom, with the intent of having funds included in the next fiscal year's budget to carry out the project.

Again this year the farm has been productive. Cattle sales grossed an all time high of \$35,235. While cattle sales have been very successful, our herd has remained consistently highly rated in the Dairy Herd Improvement As-

sociation reports. Cattle were entered into eight various sales in three different states. The total herd, including milkers, heifers and calves, numbers about 187. The swine program has also had a most fruitful year, with a combination of production and sales. As in the years past, we maintain a waiting list for piglets. There have been quite a few field trips through the facility by the local school district and Future Farmers Association, utilizing our farm for their educational programs. The Nursing Home purchased \$32,402 of food and produce from the farm, which was advantageous to our residents by having fresh produce in season and frozen produce during the winter months, not to mention the cost saving factor.

Grafton County had the highest census ever this past year in the Jail and House of Correction, resulting in an increase in management problems such as overcrowding, staff stress, and much higher than anticipated inmate medical costs. Inappropriate admissions to county jails of mentally disturbed inmates has created a great portion of inmate behavior problems within the facility.

The Commissioners hold their regular meeting very Monday, except holidays, at 9:30 a.m. in the Commissioners' Office of the Grafton County Courthouse, followed by a second meeting at the Grafton County Nursing Home Complex at 1:00 p.m., which regularly includes visits to farm and jail facilities. Public and press are welcome, and, in fact, are encouraged to attend the meetings.

Grafton County Commissioners,
 RICHARD L. BRADLEY
Chairman
 DOROTHY CAMPION, *Clerk*
 ARTHUR E. SNELL
Vice Chairman

CABLE SYSTEM REPORT

February 23, 1982

Board of Selectmen
Town of Thornton
Thornton, N.H. 03223

Dear Selectmen:

Allow me to bring you up-to-date on our ongoing CATV activities in Thornton.

On Thursday, February 18, 1982, a productive meeting was held between Commonwealth, New England Telephone company, New Hampshire Electric Cooperative, Inc., and Public Service Company of New Hampshire. The agenda for discussion was the terms of the CATV pole attachment license agreement, work schedules, and other items of mutual concern.

Commonwealth is preceeding to expedite all procedures outlined by the respective utility companies relative to the licensing process. Our current projections indicate that ongoing activities will increase through spring and for constuction to be underway by July. We anticipate that installations of the first subscribers will be in September.

The selection of a construction and business office in ongoing and Commonwealth intends to resolve the matter shortly.

In sum, the construction of the Thornton system is proceeding expeditiously.

Sincerely,
PAUL W. MAZZA
Vice President & General Manager

THE STATE OF NEW HAMPSHIRE

— — — — —

To the inhabitants of the School District in the Town of Thornton, in the County of Grafton, State of New Hampshire, qualified to vote upon District Affairs:

You are hereby notified to meet at the Thornton Central School in said District on the eighth day of March 1982, at 8:00 o'clock in the evening to act upon the following subjects:

1. To see if the District will vote to authorize the School Board to negotiate for and execute on behalf of the District tuition contracts with other School Districts for one year.
2. To see if the District will vote to authorize the School Board to make application for, accept, and expend on behalf of the School District all gifts, advances, grants-in-aid, or other funds for educational purposes, as may now or hereafter be available or forthcoming from the United States Government, the State of New Hampshire, or any other federal, state, or local agency.
3. To see what sum of money the District will vote to raise and appropriate for the support of school for the salaries of school district officials, employees and agents, and for the payment of statutory obligations of the District.
4. To see what action the District will take relative to the reports of agents, autitors, committees, or officers.
5. To transact any other business that may legally come before this meeting.

Given under our hands at said Thornton this 21st day of February, 1982.

STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the town of Thornton in the County of Grafton in said State qualified to vote in District Affairs:

You are hereby notified to meet at Thornton Central School in said District on Tuesday, the ninth day of March, 1982, polls to be open for voting at ten o'clock in the forenoon of said day and to close no earlier than seven o'clock in the afternoon of said day, to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose a School Board member for the ensuing three years.

The Moderator will be counting absentee ballots starting at 3:00 p.m.

Given under our hands at said Thornton this 22nd day of February, 1982.

ANNUAL REPORT OF THE SCHOOL NURSE 1981

This year the school health program has been able to provide a variety of services for the students at Thornton Central School.

The Parent Teacher Organization sponsored free physical exams for all students. Dr. John Hopper came to the school to examine those with parental permission. Sharon Avery RN came at the same time to check hemoglobin (a blood test for iron) for all those who paid a nominal fee. I am happy to report that 92% of the students had physicals and 65% had hemoglobin tests. No student was found to have low hemoglobin and Dr. Hopper was very pleased with the health status of the children at Thornton School. I was particularly pleased to have those 5-8 grade students who participate in interscholastic sports examined and plan to continue this.

Additionally each student was screened for height and weight, vision, hearing and color vision. Blood pressure and posture are checked on all upper grade students. Those with possible problems are referred through their parents to their own physician. An effort was made to put the parent in contact with agencies providing special services or funding.

This year School Administrative Unit #48 instituted a new immunization policy which insists upon exclusion from school if a student has not had all required immunizations. I am pleased to report that parental cooperation has been excellent and all those attending Thornton School have been fully immunized. Free immunization clinics are offered in both Plymouth and Lincoln and all needing immunizations are encouraged to attend.

During the spring two events for preschoolers occurred. The first is a state sponsored vision and hearing check. Secondly Thornton School provides a preregistration program for all incoming kindergarten students. All students come to the school with their parent(s) and are screened by a speech pathologist for possible difficulties and a resource teacher for physical and emotional readiness. Parents with children who will be five by September 30 should call the school for information on kindergarten registration.

As school nurse I am available as a resource person to parents, students and teachers. I try to provide films on various aspects of health and safety and do specific health teaching.

I am very pleased with the cooperation of parents, students, teachers and the many physicians, and wish to thank you all.

Respectfully submitted,

MARTHA B. AGUIAR, RNMN
Thornton School Nurse

REPORT OF THE PRINCIPAL
1981

— — — — —

The enrollment of Thornton Central School as of January 3, 1982 was 120 students. It is broken down as follows:

	Boys	Girls	Total
Kindergarten	7	3	10
Grade 1	6	7	13
Grade 2	6	4	10
Grade 3	7	4	11
Grade 4	4	3	7
Grade 5	4	9	13
Grade 6	10	7	17
Grade 7	7	5	12
Grade 8	12	12	27

The Thornton Central School offers a well rounded comprehensive program for its students. The school offers small class size with an enviable student/teacher ratio. The school offers instruction in the major disciplines; Reading, Language Arts, Math, Science and Social Studies. In addition we have specialists who deal with Physical Education, Art and Music. We also have a part-time resource room and speech program, Title I Reading program, and we are developing a gifted program.

The school stresses academic excellence. An Honor Society for grades 6-8 has been developed this year. Students during their upper grade years who have attained the honor roll 75% of the time and displayed good citizenship are asked to join the Honor Society. We also emphasize student effort. We have developed an Effort Honor roll for students who work extra hard but don't always get the recognition they deserve.

The school participates in the Pemi Baker League with Campton, Holderness, Rumney and Wentworth in the fall, spring and winter sports. The school in recent years has experienced good success in League participation. Students in grades 1-4 are offered an intramural Stick Hockey program during the winter.

Below is a list of the Thornton School Faculty:
Kindergarten—Mrs. Barbara Patterson
Grade 1—Mrs. Diane George

Grade 2—Mrs. Paulette Smith
Grade 3—Mrs. Jeanne McManus
Grade 4—Mrs. Ann Knowles
Grade 5-8 Science—Mr. Gary Carter
Grade 1-8 Physical Education—Mr. Gary Carter
Grade 5-8 Math—Mrs. Adrina Cassel
Grade 5-8 Language Arts—Mr. Anthony DiNardo
Grade 5-8 Social Studies—Mr. Timothy Tyler
Principal—Mr. Timothy Tyler
Title One—Miss Marge Palmer
Special Education and Art—Miss Ellen Jordan
Music—Mrs. Anne Hunnewell
School Nurse—Mrs. Martha Aguiar
Speech—Mrs. Barbara Goodnough
Secretary—Mrs. Pauline Burbank
Hot Lunch Director—Mrs. June Grace
Hot Lunch Assistant—Mrs. May Sleeper
Custodian—Mr. Everett Steele

Respectively submitted,

TIMOTHY J. TYLER
Principal

REPORT FROM THE SUPERINTENDENT OF SCHOOLS

WHAT IS A SCHOOL ADMINISTRATIVE UNIT?

New Hampshire School Law states that the State Board of Education has “the same powers of management, supervision, and direction over all public schools in this state as the directors of a business corporation have over its business, except as otherwise limited by law.” The state of New Hampshire has 168 school districts which the State Board of Education has divided into approximately 47 School Administrative Units, each administered by a superintendent of schools.

Schools, like other public agencies and business corporations, must have a management system. The New Hampshire school management system is the School Administrative Unit. School board members who are elected by the voters of their individual school districts comprise the policy making School Administrative Unit board. The superintendent serves as the executive head of the public schools, and is responsible for planning and administering their affairs subject to statutory requirements, the regulations of the State Board of Education, and the policies of the local districts. In performance of these duties, the superintendent is responsible to the State Board of Education through its Commissioner, and the board or boards of the School Administrative Unit.

School Administrative Unit budgets, following a public hearing, are annually voted by the School Administrative Unit School board. The budget provides for the salaries of the superintendent and other School Administrative Unit personnel along with other necessary central office expenditures. School Administrative Unit school boards decide the number of persons to be employed, their duties, and their salaries. Local districts share the services provided by the School Administrative Unit and share the costs of operating a central office. The local school district's share of the School Administrative Unit budget is determined by two factors: half on the basis of pupil membership and half on the basis of equalized valuation. Approximately 285 million tax dollars will be expended in 1981-1982 to educate New Hampshire's 180 thousand public school students. About 2 percent of the above expenditures is spent to provide management services to the 168 school districts.

School Administrative Unit #48 includes the communities of Campton, Holderness, Plymouth, Rumney, Thornton, Waterville Valley, and Wentworth. It is one of the largest in the State of New Hampshire from the standpoint of school boards (9) and square miles (200). It was formed so that

local school districts could join together to provide themselves with necessary administrative services they could not independently furnish efficiently or economically. Services provided include, but are not limited to: budget preparation and control; building and maintenance programs; state and federal, record keeping and reporting; recruitment and employment of all staff; public relations, annual reports; supervision and evaluation of all staff; curriculum development and coordination of school programs; staff development and re-training; energy conservation activities; coordination and development of federal programs; school health services; school food service programs; special education programs; salary preparation and fringe benefit documentation; and teacher negotiations and professional assistance to school boards in many areas.

The Superintendent of Schools and his staff function so that the above mentioned services are provided with a single goal in mind—to provide the best possible education to the children in our communities in a cost-effective design. The attainment of this objective is enhanced by your continued support and cooperation.

Respectfully submitted,
Daniel A. Cabral
Superintendent of Schools
Gerald P. Bourgeois, Ed.D.
Assistant Superintendent of Schools

EXPLANATION OF SUPERINTENDENT'S AND ASSISTANT SUPERINTENDENT'S SALARY FOR 1980-1981

Chaper 189, Section 58 Revised Statutes Annotated of the State of New Hampshire, requires that the school district annual report show the total amount paid to the Superintendent of Schools as per the following quotation: "Reports. Each superintendent of a School Administrative Unit shall annually prepare a report of the total salary paid to the superintendent, showing in detail the amount paid by the state and each local school district and their share of same . . . Said report shall be included in the annual report of the respective school district as a separate entry. A like report and entry shall be made for each assistant superintendent, teacher consultant, and business administrator if any is in service in the unit."

One-half of the School Administrative Unit expenses is prorated among the several school districts of the unit on the basis of adjusted valuations. One-half is pro-rated on the basis of average daily membership in the school for the previous school year ending June 30th. The salary of \$29,838 which was received by the Superintendent of Schools of School Administrative Unit #48 during 1980-1981 was made up as follows: \$2,500 paid by the State of New Hampshire and \$27,338 was prorated among the school districts comprising the School Administrative Unit. Allowance for \$1,500 travel within the Unit was also prorated as stated above.

The salary of the Assistant Superintendent during 1980-1981 was made up as follows: \$2,274 paid by the State of New Hampshire and \$24,309 was prorated as stated above.

The table below shows the portion of salary and travel charged to each school district.

<i>District</i>	<i>Adjusted Percent</i>	<i>Supt. Salary</i>	<i>Supt. Travel</i>	<i>Asst. Supt. Salary</i>	<i>Asst. Supt. Travel</i>
Campton	16.11	\$ 4,404.15	\$ 241.65	\$ 3,916.18	\$ 322.20
Holderness	17.80	4,866.16	267.00	4,327.00	356.00
Plymouth	36.77	10,052.18	551.55	8,938.41	735.40
Rumney	8.78	2,400.28	131.70	2,134.33	175.60
Thornton	9.39	2,567.04	140.85	2,282.62	187.60
Waterville Valley	6.28	1,716.83	94.20	1,526.61	125.60
Wentworth	4.87	1,331.36	73.05	1,183.85	97.40
